BONALIFE

Bonalife es una empresa familiar con aire joven dedicada al mobiliario de baño y todos sus complementos desde 2013, ubicada en Vila-real, Castellón.

FR Bonalife est une entreprise familiale à l'air novel et jeune dédiée à la conception et fabrication de mobilier de salle de bain et tous ses accessoires depuis 2013, située à Vila-real (Castellón), Spain.

EN Bonalife is a family business of novel and young air dedicated to bathroom furniture and all its accessories since 2013, located in Vila-real (Castellón), Spain.

A MEDIDA *SUR MESURE · BESPOKE*

Nuestro pilar fundamental se basa en la fabricación a medida, trabajando colecciones que son el reflejo de las últimas tendencias, pero con un hilo infinito de posibilidades donde plasmar la esencia de cada cliente y resolver sus necesidades.

FR Notre pilier fondamental est basé sur la fabrication de meubles sur mesure. Travaillant toujours avec des collections qui reflètent les dernières tendances, mais avec un fil infini des possibilités où nous capturons l'essence de chaque client et répondons à ses besoins.

EN Our fundamental pillar is based on manufacture of custom furniture, always working with collections that are a reflection of the latest trends, but with an infinite thread of possibilities where we capture the essence of each client and meet their needs.

MISIÓN *MISSION*

Nuestra misión se centra en diseñar, fabricar y comercializar muebles de baño a distintos puntos de Europa, África y Asia intentando siempre convertirse en un referente en el sector.

Comprometidos siempre a ofrecer un servicio excelente a nuestros clientes con un producto actual y adaptado a las necesidades de cada uno de ellos ya que para Bonalife la satisfacción de sus clientes es lo más importante.

FR Notre mission est centrée sur la commercialisation et vente de nos meubles de salle de bain dans différentes régions d'Europe, d'Afrique et d'Asie, en essayant toujours de devenir un icône dans le secteur.

Toujours soucieux d'offrir un excellent service à nos clients avec un produit actuel, moderne et adapté aux besoins de chacun d'entre vous, car pour Bonalife la satisfaction de ses clients est la chose la plus importante.

EN Our mission is focused on designing, manufacturing and marketing our bathroom furnitures to different parts of Europe, Africa and Asia, always trying to become an iconmark in the Market.

Always committed to offering an excellent service to our clients with a modern product and adapted to the needs of each one of you, since for Bonalife the satisfaction of its clients is the most important thing.

LAS PERSONAS, EL EQUIPO QUE FORMAMOS

NOTRE ÉQUIPE OUR TEAM

Formar equipo es uno de nuestros principales valores. Un producto no se define únicamente por sus características y diseño, también se define por las personas que lo crean.

FR Faire une équipe performante et soudée est pour nous une des grandes valeurs. Un produit ne se définit pas uniquement par ses caractéristiques et sa conception, mais il est également défini par les personnes qui le créent.

EN Building up a performed team is one of our main values. A product is not defined solely by its characteristics and design, it is also defined by the people who create it.

BONALIFE GREEN O ECO-FIRENDLY

Desde Bonalife estamos comprometidos 100% a cuidar del entorno y el medio ambiente. El desarrollo sostenible está marcado en nuestra filosofía como referencia constante.

El Ecodiseño es otro de nuestros pilares ya que analizamos los productos desde su base y su función para definir acciones que puedan reducir su carga medioambiental. Entre otros como los embalajes, que cuentan con un 60% de material reciclado.

FR Chez Boalife, nous sommes engagés 100% à respecter l'environnement. La durabilité de la planète est inscrite dans notre décalogue comme un objectif permanent.

L'éco-conception est un de nos piliers, puisque nous analysons les produits à la base et dans leur fonction pour définir les actions pouvant réduire leur préjudice environnementale. Entre autres, les emballages, qui contiennent 100% de matériaux recyclés.

EN At Bonalife we are 100% committed to taking care of the environment. Sustainable development is marked in our philosophy as a main reference.

Eco-Design is another of our pillars since we analyze products from their supply base to their perform to define actions that can reduce their environmental burden. Among others such as packaking, which have 60% recycled material.

Piedra 100% natural. La dureza y resistencia de las piedras naturales hacen de este acabado un material ideal para espacios húmedos como los baños.

Pierre 100% naturelle. La dureté et la résistance des pierres naturelles en font un matériau idéal pour les pièces humides comme les salles de bains.

100% Natural stone. The hardness and resistance of natural stones make it an ideal material for wet areas such as bathrooms.

COMPACT · COMPACT · COMPACT

Este producto se compone de 95% de piedra natural molida y 5% de resinas naturales, Esta mezcla garantiza una buena limpieza y una resistencia perfecta a la abrasión.

Ce produit se compose de 95 % de pierre naturelle et 5 % de résine naturelle un mélange qui permet une grande dureté et une parfaite résistance à l'abrasion.

This product consists of 95% natural stone and 5% natural resin, a mixture that allows great hardness and perfect resistance to abrasion.

MICROTEC · MICROTEC · MICROTEC

Es un novedoso material polímero tecnológico, compuesto por una mezcla de cargas minerales de alta calidad y una alta presión., combinado con un recubrimiento sintético color de alto rendimiento a base de nano partículas de última generación. Esto le confiere altas propiedades antibacterianas, impermeabilidad con gran resistencia a los rayados, manchas y agentes químicos, además de un acabado mate con textura suave y sedosa de muy fácil limpieza.

Un nouveau produit révolutionnaire, qui se compose d'un mélange de charge minérale de haute densité, et recouvert d'un produit synthétique coloré à base de nano particules de dernière génération, qui en font un produit d'une grande performance antibactérienne, à l'imperméabilité, et une haute résistance au rayures et aux taches de toute sorte.

A revolutionary new product, which is composed of a mixture of high density mineral filler, and covered with a colored synthetic product based on last generation nanoparticles, which make it a water-repellant product of great antibacterial performance and of high resistance to scratches and stains of all kinds.

KRION · KRION · KRION

Krion es un material cálido al tacto y similar a la piedra natural. Este material está compuesto por dos terceras partes de minerales naturales(ATH: Trihidrato de Alúmina) y un bajo porcentaje de resinas de gran resistencia. Esta composición nos garantiza una carencia de poros, antibacterias sin ningún tipo de aditivo, dureza, resistencia, fácil reparación y un fácil mantenimiento y limpieza.

Le krion est un matériau chaud au toucher, semblable à la pierre naturelle. Ce matériau est composé de deux tiers de minéraux naturels (ATH : Alumina Trihydrate) et d'un faible pourcentage de résines très résistantes. Cette composition garantit l'absence de pores, un effet antibactérien sans aucun type d'additif, la dureté, la résistance, la facilité de réparation, d'entretien et de nettoyage.

Krion is a material that is warm to the touch and similar to natural stone. This material is composed of two thirds of natural minerals (ATH: Alumina Trihydrate) and a low percentage of highly resistant resins. This composition guarantees a lack of pores, antibacterial without any type of additive, hardness, resistance, easy repair and easy maintenance and cleaning.

CONSEJOS SOBRE EL CUIDADO Y MANTENIMIENTO DE PIEDRA NATURAL / COMPACTA / MICROTEC
INSTRUCTIONS SUR L'ENTRETIEN ET L'EMPLOI DU: PIERRE NATURELLE / COMPACTA / MICROTEC
INSTRUCTIONS ON THE CARE AND MAINTENANCE OF: NATURAL / COMPACT STNOWARE / MICROTEC

Las piedras naturales llegan a formarse por un largo proceso natural por lo que siempre presentan diferencias de tonalidad, vetas de distintos tipos, incrustaciones de otros minerales o fósiles y algunas otras irregularidades que realzan su belleza y las hace únicas.

Les pierres naturelles sont formées par un long processus naturel. Elles présentent, donc, toujours des différences de tonalité, des types de veines différents, des incrustations d'autres minéraux ou fossiles et quelques autres irrégularités qui rehaussent leur beauté et les rendent uniques.

Natural stones are formed by a long natural process so they always present differences in tonality, different types of veins, incrustations of other minerals or fossils and some other irregularities that enhance their beauty and make them unique.

LAS CUALES NO DEBEN SER CONFUNDIDAS COMO FALLOS O DEFECTOS DEL PRODUCTO.
CE QUI NE DOIT PAS ÊTRE CONFONDU AVEC LES DÉFAUTS OU LES DÉFAILLANCES DES PRODUITS.
WHICH SHOULD NOT BE CONFUSED WITH PRODUCT FAILURES OR DEFECTS.

Para que todos nuestros productos tengan la máxima calidad, nuestras Piedras Naturales han sido seleccionadas de las mejores canteras y les aplicamos tratamientos hidrórepelentes y oleorepelentes antimanchas, que impiden la formación de hongos y bacterias, facilitando su limpieza y preservando la belleza original durante largo tiempo.

Pour garantir la qualité de tous nos produits, nous Pierres Naturelles ont été sélectionnés dans les meilleures carrières et nous appliquons des traitements hydrofuges et oléofuges qui préviennent les taches, qui empêchent la formation de champignons et de bactéries, facilitant leur nettoyage et préservant long temps la beauté originale.

To ensure that all our products are of the highest quality, our Natural Stoneware have been selected from the best quarries and we apply water-repellent and oil-repellent treatments to prevent stains, which prevent the formation of fungi and bacteria, facilitating their cleaning and preserving the original beauty for a long time.

No obstante, para el cuidado y mantenimiento de la piedra, le recomendamos el aclarado general con agua después de cada uso y asegurar la ventilación suficiente del cuarto de baño. Es conveniente el secado de las piezas con un paño después de su uso para evitar las manchas producidas por la cal del agua.

Toutefois, pour l'entretien et conservation de la pierre, nous recommandons un rinçage général à l'eau après chaque utilisation et d'assurer une ventilation suffisante de la salle de bain. Il est conseillé de sécher l'article avec un chiffon après utilisation afin d'éviter les taches causées par le calcaire de l'eau.

However, for the care and maintenance of the stone, we recommend general rinsing with water after each use and ensure sufficient ventilation of the bathroom. It is advisable to drying the pieces with a cloth after use to avoid stains caused by lime in water.

Para la limpieza de la Piedra Natural, basta con la utilización de cualquier detergente del mercado con Ph, neutro recomendado para este tipo de material. Evite la utilización de otros productos de limpieza a menos que se especifique claramente que son para Piedra Natural, esto incluye limpiacristales y detergente genéricos para baño.

Por nettoyer la Pierre Naturelle, il suffit, d'utiliser n'importe quel détergent avec un Ph, neutre recommandé pour ce type de matériau. Evitez l'utilisation d'autres nettoyeurs sauf s'il est clairement spécifié qu'ils sont conseillés pour nettoyer la Pierre Naturelle, ceci concerne également les nettoyeurs pour verre et les détergents génériques pour la salle de bain.

To clean Natural Stone, it is sufficient to use any detergent on the market with Ph, neutral recommended for this type of material. Avoid the use of other cleaning unless it is clearly specified that they are for Natural Stone, this concerns also glass cleaners and generic bathroom detergents.

No recomendamos el uso de productos abrasivos de limpieza en seco, ni el uso de detergentes que contengan ácidos de cualquier tipo, alcohol y, especialmente, productos anticalcáreos que dañarían la pieza de modo grave y, a veces, irreversible. Siguiendo estas indicaciones usted podrá disfrutar de la belleza de un producto natural durante mucho tiempo.

Nous ne recommandons pas l'utilisation de produits de nettoyage à sec abrasifs, ni l'utilisation de détergents contenant des acides de toute sorte, de l'alcool et surtout des produits anti-calcaires qui endommageraient le produit de manière grave et parfois irréversible. En suivant ces indications, vous pourrez profiter long temps de la beauté d'un produit naturel.

We do not recommend the use of abrasive dry cleaning products, neither the use of detergents that contain acids of any kind, alcohol and especially anti-limestone products that would damage the stoneware in a serious and sometimes irreversible way. Following these indications you will be able to enjoy the beauty of a natural product for a long time.

La garantía no tendrá validez si los productos no han sido almacenados o instalados de manera apropiada, si no se siguen las instrucciones de instalación adecuadamente, por mal empleo o infiltración, o por el uso de productos de limpieza contraindicados. Asimismo, la garantía no asume el deterioro lógico por el paso del tiempo, cortes, rayones o daños debidos a golpes o accidentes. Así como en los casos en que su uso no haya sido con fines domésticos.

La garantie ne sera pas valable si les produits n'ont pas été correctement stockés ou installés en suivant correctement les instructions de pose, en raison d'une mauvaise utilisation ou d'une infiltration, ou par l'utilisation de produits de nettoyage contre-indiqués. De même, la garantie n'assume pas la détérioration logique dans le temps, les coupures, les éraflures ou les dommages dus à des coups ou des accidents. De même que dans les cas où son utilisation n'a pas été faite à des fins domestiques.

The warranty will not be valid if the products have not been properly stored or installed following correctly the installation instructions, due to misuse or infiltration, or by the use of contraindicated cleaning products. Likewise, the guarantee does not assume the logical deterioration over time, cuts, scratches or damage due to blows or accidents. As well as in cases where its use has not been for domestic purposes.

CONDICIONES GENERALES DE GARANTÍA

MANTENIMIENTO, USO Y LIMPIEZA

Atención, el fabricante no se hace responsable de los daños provocados por inundaciones, fugas en tuberías, grifos o por una mala ventilación en el baño.

Para una buena conservación del mueble es recomendable seguir las siguientes instrucciones:

- Es aconsejable limpiar sus muebles con un paño suave y seco.
- Asegúrese de que la silicona de las juntas entre el lavabo y la pared siempre está en buenas condiciones.
- No utilizar nunca productos de limpieza en polvo o crema ni productos abrasivos.
- No exponer el mueble a cantidades abundantes de agua.

El fabricante rechaza toda responsabilidad en caso de no respetar alguna de las condiciones generales de garantía.

CONDITIONS GENERALES DE GARANTIE

ENTRETIEN ET UTILISATION DE VOS MEUBLE DE SALLE DE BAIN

Attention, le fabricant n'est pas responsable des dommages provoqués par une inondation, par une fuite de tuyaux, de robinets ou un taux inadéquat d'humidité dans votre salle de bain provoqué par une mauvaise ventilation.

Afin de conserver l'état d'origine de votre meuble, nous vous conseillons de prendre les précautions suivantes:

- Dépoussiérez régulièrement votre meuble avec un chiffon doux et sec.
- Veillez à refaire vous joints de silicone si ceux-ci se dégradent dans le temps.
- Ne jamais utiliser de produit à récurer (poudre et crème) ni d'éponges abrasives.
- N'exposez jamais les meubles à des quantités d'eau abondant.

Le fabricant décline toute responsabilité en cas de non-respect de chacune des conditions générales de garantie.

GENERAL CONDITIONS OF GUARANTEE

MAINTENANCE, USE AND CLEANING

Attention! The manufacturer is not responsible for damage caused by flooding, leaks in pipes, faucets or poor ventilation in the bathroom.

For a good conservation of the furniture it is advisable to follow the following instructions:

- It is advisable to clean your furniture with a soft and dry cloth.
- Make sure that the silicone in the joints between the sink and the wall is always in good condition.
- Never use cleaning products in powder or cream or abrasive products.
- Never expose the furniture to abundant amounts of water.

The manufacturer declines all responsibility in case of not respecting any of the general conditions of guarantee.

MATERIALES / MATÉRIAUX / MATERIALS

La estructura de nuestros muebles está hecha con los mejores tableros de MDF.

Nos meubles sont réalisés avec des panneaux MDF structure, façade et tiroir.

Our vanities structures are made exclusively with the most solid MDF planks.

Para un acabado perfecto, se aplican hasta tres capas sucesivas de lacas mate o brillante. Los acabados de las estructuras están hechos con una chapa de madera natural o melamina, que cubren los tableros de MDF 19mm. El interior de los muebles está revestido en laminado MDF antrazita.

Pour une finition parfaite, jusqu'à trois couches successives de laques mate ou brillante sont appliquées. Les façades finitions bois sont réalisées avec un placage en bois naturel ou en mélaminé mais toujours sur support MDF. L'intérieur des meubles est habillé de stratifié gris MDF.

To obtain the MOST beautiful glossy lacquered our vanities have 3 coats of paint. We use the MOST high quality melamine or natural wood to cover our 19 mm MDF planks. The interior is finished with grey laminated MDF planks too.

Todos los cantos, incluidos los invisibles, están lacados para obtener una resistencia adicional a la humedad.

Tous les chants, même invisibles, sont laqués afin d'obtenir une résistance supplémentaire à l'humidité.

All edges and flanges are lacquered with MOST delicate attention to get absolute resistance to the humidity.

Nuestras guías "soft-close" ofrecen un cierre suave y silencioso, sinónimo de calidad y durabilidad. En extensión completa, soportan un peso de 40/60 kg.

Les amortisseurs « soft-close », silencieux, offrent une sensation de confort supplémentaire. A extension totale, ils supportent un poids de 40/60 kg.
